Advanced Nurse Practitioner Job Description and Person specification

Practice Manager – Jo Gilford
MDT Manager – Emma O'Brien
GP Clinical Lead – Dr Trudy Lewis
Danetre Medical Practice
December 2024

Date :December 2024

We are recruiting an Advanced Nurse Practitioner for our innovative and happy practice which is expanding. The post holder will be primarily responsible for the delivery of minor illness services to the practice population either in practice or as home visits. Successful candidates will be NMC registered and possess the prescribing qualification alongside excellent clinical, communication and IT skills.

The practice itself is located in close proximity to Daventry town centre in a modern building adjoining Danetre Hospital (a community hospital which opened in September 2006) offering a wide range of services and delivering a high standard of care. Also attached to the Practice operating independently is Boots Chemist and a Children's Nursery. The site has free car parking.

The ideal candidate will possess experience & knowledge of contraception, family planning and long-term conditions alongside the non-medical prescribing qualification.

We are an accredited training practice and undertake level 2 research which means we can offer excellent support and colleague led teaching to enable you to develop your professional knowledge further.

Currently the practice works with 5 x GP partners, 1 x Managing Partner, 4 x salaried GP's, 3 x Practitioners, 3 x Clinical Pharmacists and over 250Hrs of Clinical nursing support.

If you are interested in this exciting and fulfilling role along with working within a dynamic and organised practice, please send a copy of your CV along with a completed application form to martin.shoyinka1@nhs.net. Informal enquiries are welcome.

The post holder will have direct contact with patients and carers therefore a DBS check will be undertaken.

This post is not exempt from the provisions of the Rehabilitation of Offenders Act 1974. Therefore, the post holder is required to disclose any spent convictions.

Job Description – Advanced Nurse Practitioner

TITLE: Advanced Nurse practitioner
SALARY: From £42,412 - £46,022

HOURS OF WORK : 37.5 Hrs
REPORTING TO: MDT Manager

JOB PURPOSE

The post holder is responsible for ensuring the delivery of safe and effective services to the whole practice population. As a member of the Multi-Disciplinary Team the post holder is accountable for his/her own practice.

Supported by the clinical team within the practice they will deliver care within the boundaries of their role, focusing upon supporting patients to be healthy, monitoring of long-term conditions, health prevention and screening activities.

KEY RESPONSIBILITIES AND ACCOUNTABILITIES

The post holder will work collaboratively with the general practice team to meet the needs of patients, supporting the delivery of policy and procedures whilst managing their own workload to deliver the practice priorities. Clinically, the focus of the role is to undertake clinical activities within the clinical team as requested. eg. Minor illness etc. The role will also be evolving as the balance of care shifts from hospital to general practice.

As autonomous practitioners you will be responsible for the care delivered, demonstrating critical thinking and skills in clinical decision making.

KEY WORKING RELATIONSHIPS

MDT Manager	Practice Manager	Management Team	Partner GP's
Staff and clinicians	Patients	Secondary care providers	

COMMUNICATION

Maintain effective communication with individuals and groups within the practice environment and with external stakeholders along with acting as an advocate when representing the patients' and colleagues' viewpoints to others

EQUALITY AND DIVERSITY

The Practice has an Equality and Diversity Policy to ensure that no job applicant or employee is discriminated against either directly or indirectly on the grounds of disability, marital status, sex, race, colour, nationality, ethnic or national origin, sexual orientation, age, religion or political opinion, whilst attracting talented recruits and retaining experienced employees.

The Practice is committed to promoting equal opportunities and diversity and will keep under review its policies, procedures and practices to ensure that all users of its services are treated according to their needs.

CLINICAL

- Undertake Minor illness clinics in 15-minute appointments working within your scope competence
- Undertake Home visits when the need arises
- Assisting in QOF work if required
- Administer First Aid including resuscitation if required
- Receive and refer patients when appropriate
- Understand and adhere to the Policies and Procedures of the Practice
- Update the computer by coding activities appropriately and at the time of the consultation using templates where appropriate. Comply with computer-based information requirements

- Ensure all items of equipment are maintained in good order, and ensure that all procedures for reporting hazards or unsafe equipment are known, understood and carried out by all staff in the nursing team.
- Participate in a duty rota system within the clinical team to ensure the service requirements are met
- Ensure economical and careful use of property and resources within the clinical team are used economically and effectively.
- Provide cover for colleagues by undertaking extra shifts when required.
- Undertake home visits when required.

QUALITY

- Recognise and work within own competence and professional code of conduct as regulated by the Nursing Midwifery Council (NMC)
- Produce accurate and complete records of patient consultation, consistent with legislation, policies and procedures.
- Prioritise, organise and manage own workload in a manner that maintains and promotes quality.
- Deliver care according to the National Institute for Clinical Excellence (NICE) guidelines and evidence-based care.
- Understand and apply legal policy that supports the identification of vulnerable and abused children and adults, being aware of statutory child/vulnerable adult health procedure and local guidance.
- Work within policies relating to domestic violence, vulnerable adults, substance abuse and addictive behaviour, and refer as appropriate

PERSONAL AND PEOPLE DEVELOPMENT

Take responsibility for own development, learning and performance including participating in clinical supervision and acting as a positive role model.

TEAMWORKING

Work as an effective and responsible team member, supporting others and exploring the mechanisms to develop new ways of working.

MANAGEMENT OF RISK

Manage and assess risk within the areas of responsibility, ensuring adequate measures are in place to protect staff and patients.

INFORMATION GOVERNANCE

It is the responsibility of our entire workforce, regardless of employment status, to ensure they abide by the requirements of Information Governance as set out in the Employee Handbook and the Information Governance Policy.

CONFIDENTIALITY

Information relating to patients, carers, colleagues, other healthcare workers or the business of the Practice may only be divulged to authorised persons in accordance with the Practice policies and procedures relating to confidentiality and the protection of personal and sensitive data.

HEALTH AND SAFETY

The post holder will be required to comply with the duties placed on employees of the Practice as set out in the Health and Safety at Work Policy and related procedures.

TECHNOLOGY

- Use technology as an aid to management in planning, implementation, and monitoring, presenting and communicating information.
- Review and process data using accurate Read codes about patients in order to ensure easy and accurate retrieval for monitoring and audit processes.
